2025 LEAVERS

KEIRA

Keira started dancing at the age of two years old, and in just nine short years with us achieved her Gold Jazz, Grade 8 and Intermediate Ballet, Grade 6 Modern and Intermediate Foundation Contemporary.

Bringing passion, focus, and always with a smile, she hopes to go to Chester University to study Music & Performance, and we cannot wait to see where her next steps take her!

IMOGEN

Imogen's first exam with us was her Primary Ballet exam, and now she moves on after achieving her Grade 8 and Advanced Foundation in Ballet, and Grade 5 Tap. We are going to miss her hard work and determination, and so proud of the dancer she has become.

Imogen hopes to go on to University of York to study Physical Geography and Environment and hopes to keep dancing whilst she is there.

After knowing her and her family for 20 years (with her sister leaving some years before!) we will miss you!

TILLY

Dancing from the age of 3, Tilly joined us in 2012 and what a brilliant 13 years it has been!

Moving on to study History at Cambridge University, Tilly leaves us with achieving her Grade 8 Ballet and Grade 5 Tap.

We will miss her hard work and focus, but pleased to hear Tilly hopes to keep dancing at university and the final grade in Tap, and we cannot wait to hear more!
